GENERAL CONDITIONS OF SERVICE

1. General

(a) Unless otherwise agreed in writing or except where they are at variance with (i) the regulations governing services performed on behalf of governments, government bodies or any other public entity or (ii) the mandatory provisions of local law, all offers or services and all resulting contractual relationship(s) between Insight Laboratories LLC, its affiliates or any of their agents (each a "Company") and Client (the "Contractual Relationship(s)") shall be governed by these general conditions of service (hereinafter the "General Conditions").

(b) The Company may perform services for persons or entities (private, public or governmental) issuing instructions (hereinafter, the "Client").

(c) Unless the Company receives prior written instructions to the contrary from Client, no other party is entitled to give instructions, particularly on the scope of the services or the delivery of reports or certificates resulting therefrom (the "Reports of Findings"). Client hereby irrevocably authorizes the Company to deliver Reports of Findings to a third party where so instructed by Client or, at its discretion, where it implicitly follows from circumstances, trade custom, usage or practice.

(d) For purposes of these General Conditions, the term "services" shall mean the services described in the quote sheet provided by the Company and signed by Client or as otherwise specified in Paragraph 2 of these General Conditions.

2. Provision of Services

(a) The Company will provide services using reasonable care and skill and in accordance with Client's specific instructions as confirmed by the Company or, in the absence of such instructions:

- (1) the terms of any standard order form, quote sheet or standard specification sheet of the Company;
- (2) any relevant trade custom, usage or practice; and/or
- (3) such methods as the Company shall consider appropriate on technical and operational grounds.

(b) Information stated in Reports of Findings is derived from the results of inspection or testing procedures carried out in accordance with the instructions of Client, and/or our assessment of such results on the basis of any technical standards, trade custom or practice, or other circumstances which should in our professional opinion be taken into account.

(c) Reports of Findings issued further to the testing of samples contain the Company's opinion on those samples only and do not express any opinion upon the lot from which the samples were drawn.

(d) Should Client request that the Company witness any third party evaluation at another location, Client agrees that the Company's sole responsibility is to be present at the time of such third party's independent evaluation and to forward the results, or confirm the occurrence, of such evaluation. Client agrees that the Company is not responsible for the condition or calibration of apparatus, instruments and measuring devices used, the analysis methods applied, the qualifications, actions or omissions of third party personnel or the analysis results.

(e) Reports of Findings issued by the Company will reflect the facts as recorded by it at the time of its analysis only and within the limits of the instructions received or, in the absence of such instructions, within the limits of the alternative parameters applied as provided for in clause 2(a). The Company is under no obligation to refer to, or report upon, any facts or circumstances which are outside the specific instructions received or alternative parameters applied in accordance with clause 2(a).

(f) The Company may delegate the performance of all or part of the services to an agent or subcontractor and Client authorizes Company to disclose all information that Company determines in its discretion to be necessary for such performance to the agent or subcontractor.

(g) Should Company receive documents reflecting engagements contracted between Client and third parties or third party documents, such as copies of sale contracts, letters of credit, bills of lading, etc., they are considered to be for information only, and do not extend or restrict the scope of the services or the obligations accepted by the Company.

(h) Client acknowledges that the Company, by providing the services, neither takes the place of Client or any third party, nor releases them from any of their obligations, nor otherwise assumes, abridges, abrogates or undertakes to discharge any duty of Client to any third party or that of any third party to Client.

(i) All samples shall be retained for a maximum of one (1) month or such other shorter time period as the nature of the sample permits and then returned to Client or otherwise disposed of at the Company's discretion after which time Company shall cease to have any responsibility for such samples. Client shall pay a storage charge at the Company's then-standard rate for storage of samples for more than one (1) month. Client shall pay a handling and freight fee if samples are returned. Special disposal charges will be paid by Client if incurred by the Company in connection with any samples.

(j) Client shall not reproduce or publish any Report of Findings, or any portion thereof, if the name of the Company appears thereon, or is associated therewith, without the prior written consent of the Company. Any document, including, but not limited to, any Report of Findings, provided to Client by the Company and any copyright attendant thereto shall be and remain the property of the Company and the Client shall not alter, reproduce or misrepresent the contents thereof in any way, except that the Client shall be entitled to make copies of such documents for its internal use only.

3. Obligations of Client

The Client will, at Client's expense:

(b) Unless a shorter period is established in the applicable invoice, Client will promptly pay, but in no event later than 30 days from the relevant invoice date or within such other period as may be established by the Company in the invoice (the "Due Date") all fees due to the Company failing which interest will become due at a rate of 1.5% per month (or such other rate as may be established in the invoice) from the Due Date up to and including the date payment is actually received.

- (1) the amount of all non-refundable expenses incurred by the Company; and
- (2) a proportion of the agreed fee equal to the proportion of the services actually performed.

5. Suspension or Termination of Services

The Company shall be entitled to immediately and without liability either suspend or terminate provision of the services in the event of:

(a) Failure by the Client to comply with any of its obligations hereunder and such failure is not remedied within 10 days after notice of such failure has been delivered to Client; or

The Company shall further have no liability for any loss, damage or expenses arising from the claims of any third party (including, without limitation, product liability claims) that may be incurred by the Client regardless of whether such loss is foreseeable.

(7) In the event of any claim or potential claim by Client against the Company, Client must give written notice to the Company within 30 days of discovery of the facts alleged to justify such claim and, in any case, the Company shall be discharged from all liability for all claims for loss, damage or expense unless suit is brought within one year from:

- (i) the date of performance by the Company of the service which gives rise to the claim; or

12. Miscellaneous

(a) If any one or more provisions of these General Conditions are found to be void, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The parties hereto agree that any such provisions shall be automatically replaced with a valid and enforceable provision that will achieve, to the greatest extent possible, the purposes of such void, illegal or unenforceable provision.

(b) During the course of providing the services and for a period of one year thereafter Client shall not, and shall cause its employees, agents and representatives not to, directly or indirectly entice, encourage or make any offer to Company's employees to leave their employment with the Company.
